
AUDIT REPORT

FOR OFFICIAL USE ONLY

Although HUD Continued to Make Improvements to Its Entity Wide Security Program, Challenges Remained in Its Efforts to Comply with Federal Security Requirements

2011-DP-0005

February 10, 2011

This is a LIMITED DISTRIBUTION audit report. The OIG has determined that the contents of this audit report would not be appropriate for public disclosure and has therefore limited its distribution to those officials listed on the report distribution list. As a recipient of this report, you must safeguard the audit report from unauthorized release.
